

## *Fusion Collection Theater Seating* *Style: 1011 Lagoon*

### *Features*

#### **Pocketed Spring Coil Cushion**

- Cradles your body and perfectly conforms to the weight and contour of your body providing the best support & comfort available.

#### **Manual Recline**

- Easily reclines with the touch of a button.

#### **Power Recline**

- Quiet motor provides smooth reclining motion allowing you to stop the reclining action at any desired position.

#### **Chaise Seating**

- Provides head-to-toe support when fully reclined.

#### **Extra Plush Back Padding**

- The extra plush back padding cradles your body extending your reclining comfort.

#### **Cupholders**

- Generously sized to fit most cans, bottles and drinking cups. Stainless steel cupholder insert is removable for easy cleaning.

Available in leather with vinyl match and full bonded latest generation leather.
